

PIRATES BEWARE!

**You are being
watched!**

Do you feel that you can copy and Illegally sell copyrighted content?

Now, no more.

Police have recently arrested many people for illegally selling MADE EASY copyrighted course materials and course videos online via Telegram and other online platforms.

Recently, Delhi High Court has strictly ordered that the copyright owners like MADE EASY have the right to get the details of the individuals indulged in selling course illegally.

As per High Court, the copyright owners like MADE EASY can now receive the information of the individuals engaging in the activities associated with copying, publishing, and selling course materials on their Telegram channels. Online platforms like Telegram are required to disclose the details such as mobile numbers, email addresses, and IP addresses of the respective channel or account from which these pirates have uploaded the content on the platform.

**If you are one of them, then be ready
to face severe consequences like jail.**
